

Energy Asia teams wins contract for the first time from Aker Engineering Malaysia Sdn Bhd

For the Bokor Phase 3 Enhanced Oil Recovery (EOR) Redevelopment project, a field jointly owned by Petronas Carigali Sdn Bhd (PCSB) and Shell, with PCSB as the operator, PCSB awarded the FEED stage to Aker Engineering Malaysia Sdn Bhd (AEM). AEM in turn has appointed Lloyd's Register as the 3rd Party Independent Design Reviewer for this phase. The Bokor field is located within the Baram Delta Operation in South China Sea about 45km North West of Miri, Sarawak in East Malaysia.
